Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

DEC 10 1963

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES: waiq

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to
(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES: Dr. Bills

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes; if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

JAN 8 1968

JUL 27 1973

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

SEP 23 1960

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

SEP - 9 1994

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

This body embalmed under direction of Leonard L Allen Lic. No. E-370 Arlo Hess on 9/2/60

(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

OCT 21 1960

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

NOV 7 1960

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

NOV 15 1960

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Form (DPH-48021)

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES: OCT 4 1960

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES: OCT 11 1960

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Form DPH-48021

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

OCT 10 1960

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions; the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

APR 4 1961

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

SEP 20 2000

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

MAR 2 4 1976

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

OCT 4 1960

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

FEB 4 1970

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal or homicidal.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to:

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

OCT 27 1960

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

SEP 29 1960

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

OCT 20 1960

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

JAN 2 5 1993

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(B) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

NOV 16 1983

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. (d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

JUL 7 1977

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

MAR 14 2007

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Form DPH-49021

DUTIES:

MAY 4 1962

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Informant, Funeral Director, Registrar and Medical Attendant. EACH must sign with BLACK INK in OWN handwriting. Each item should be answered as completely as possible. State answers as unknown only after a careful investigation. Use BLACK ink or BLACK record typewriter ribbon in filling out certificate. (ICA 38-206 and 215.) Address correspondence to DIVISION OF VITAL STATISTICS, BOISE, IDAHO

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

NOV 17 1960

DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

JUN 20 1980

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

MAY 14 1981

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED-CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.
